*Re: University Spine Center on assignment of Louise K. v. Aetna, Inc.
Docket No. 17-cv-8160*

Dear Judge Waldor,

As you know, our office represents University Spine Center on assignment of Louise K. (“University Spine”). Aetna, Inc. is currently named as a Defendant in the above-referenced action as well as in a handful of other ERISA lawsuits.

During the July 16, 2018 telephone conference before Your Honor, the undersigned and counsel for Defendant, Mr. Thomas J. Elliott, Esq., stated that we would work to produce a new coordinated order.

Having reviewed the outstanding cases between Plaintiff and Defendant (where Defendant is represented by Elliott Greenleaf, P.C.), it appears that there are two additional cases which could presently be consolidated together.

Accordingly, the parties jointly request that the Court consolidate all the remaining cases into one group. These cases are as follows (identified by the patients’ initials and docket numbers):

C.B.—17-8755; A.T.—17-8747; D.W.—17-7759; L.K.—17-8160;
S.F. 18-1090; R.C. 18-1106

Additionally, the parties request that the deadline for the production of the administrative records be October 1, 2018; that a status conference call be held on October 30, 2018; and that November 30, 2018 be the end of discovery.

Your Honor’s consideration of these requests are very much appreciated. Should the Court have any additional questions, please do not hesitate to contact me.

Respectfully submitted,

CALLAGY LAW, P.C.
